

TROILUS

Labourer – Surface services

Under the supervision of the Surface Services Supervisor, the Surface Labourer – Surface Services plays a key role in supporting mining operations. He/she performs a variety of manual and technical tasks aimed at ensuring cleanliness, safety, and efficiency of the mine site's surface infrastructure.

In this role, he/she works closely with production, maintenance, and logistics teams to support the smooth execution of daily site operations.

The main mission is to contribute to the maintenance of surface infrastructure, provide operational support to field teams, and ensure compliance with health and safety standards while maintaining an active presence on site.

DUTIES ASSOCIATED WITH RESPONSABILITIES

General infrastructure maintenance

- ❖ Perform cleaning and upkeep of buildings, workshops, offices, and sanitary facilities.
- ❖ Ensure waste collection and residual materials management in accordance with established procedures.
- ❖ Carry out snow removal on roads, access points, and work areas during the winter season.

Operational support

- ❖ Ensure transportation and distribution of materials, tools, and equipment across the site.
- ❖ Support maintenance and construction teams in carrying out their work.
- ❖ Prepare and clean work areas before and after interventions.

Various manual tasks

- ❖ Assemble and disassemble temporary structures.
- ❖ Perform minor painting, repairs, and site layout tasks.
- ❖ Load and unload trucks or containers.
- ❖ Perform manual tasks associated with site water pumping.

Health and safety compliance

- ❖ Strictly apply occupational health and safety procedures.
- ❖ Properly use personal protective equipment (PPE).
- ❖ Report any hazardous situation, anomaly or risk condition observed on site.

QUALIFICATIONS AND REQUIRED PROFILE

Education and experience:

- ❖ Experience in an industrial or mining environment (an asset).
- ❖ Valid Class 5 driver's licence

Langues :

- ❖ Bilingual French-English (major asset).

Professionnal and professional skills :

- ❖ Good overall physical condition.
- ❖ Ability to work outdoors in varying weather conditions.
- ❖ Strong sense of initiative.
- ❖ Autonomy.
- ❖ Team work oriented.
